

# MyDay

***MyDay strives to create a perfect work-life balance for busy college students while guiding them to accomplish their long-term goals.***

# What is MyDay?

Our application, MyDay, is the new innovative, multi-functional scheduler for busy students at San Francisco State University. Our team at MyDay strives to utilize the functionalities of a calendar while taking into consideration routine breaks and loss of habits that may be forgotten in the future.

# User Stories

## Sofia Williams

- Major Graphic Design
- Year Senior
- Full-time student
- Lives off-campus

## Wants & Needs

- Wants to have more free time during the weekdays
- Wants to not have to rush everywhere
- Needs to have a timetable/schedule to keep track of classes/assignments/group

# User Stories

## Jessica Sims

- Major psychology
- Year sophomore
- Full-time student
- Part-time employee
- Lives off-campus
- Works off-campus
- Comes to campus 3 days a week (MWF)

## Wants & Needs

- Wants to try many of the different eateries at sfsu 4th
- Wants to get a chance to meet others on campus 2nd

## Jon Greene

- Undeclared
- First Year
- Part-time student
- Full-time employee
- Lives off campus
- Works off campus

## Wants & Needs

- Wants to explore majors by getting some insight from other students
- Explore locations around the area that other students are interested in

# User Stories

## Bella Jones

- Major Art Education
- Minor Gender Studies
- Year Junior
- Full-Time Student
- Part-Time Employee
- Lives off campus, Works off campus

## Wants & Needs

- Organized schedule to remember her classes, club events, and work schedule
- A healthy, balanced lifestyle
- Recommendations of where to eat in between classes

# MyDay Features

## Account Management

- ❖ User will be able to register with their SFSU ID and password
- ❖ For recurring users, there is a separate login page.
- ❖ Once logged in, the user will be able to log out as well and they will know they are logged out once the Home page appears

A registration form with a light purple background and rounded corners. It contains several input fields with labels above them: 'First Name', 'Last Name', 'SFSU ID', 'Major', 'Minor', 'Password', and 'Confirm Password'. The 'Minor' field is labeled 'Minor (optional)'. Below the input fields is a dark purple 'Register' button. At the bottom, there is a dark purple button with white text that says 'Already Have an Account? Sign In'.

# MyDay Features

## Scheduler

- ❖ Users are able to visualize their schedule by creating, deleting, and updating events in our Scheduler
- ❖ Users are able to visualize their schedule in a Daily, Weekly, or Monthly format.

The screenshot displays the MyDay Scheduler interface. At the top, there are buttons for 'Suggestions' and 'Map'. Below these is a navigation bar with a date range 'Nov 27 - Dec 03, 2022' and tabs for 'TODAY', 'DAY', 'WEEK', 'WORK WEEK', 'MONTH', and 'AGENDA'. The main calendar view shows a grid for the week of November 27 to December 3, 2022. The days of the week are listed at the top: Sun 27, Mon 28, Tue 29, Wed 30, Thu 1, Fri 2, and Sat 3. The time slots on the left range from 12:00 AM to 4:00 AM. Several events are visible: 'Gym' (1:00 AM - 1:30 AM) on Tuesday, 'Coffee Break' (2:30 AM - 3:00 AM) on Thursday, and 'Hot Tub/ Sauna' (12:00 AM - 11:59 PM) on Friday. A 'New Event' modal is open in the foreground, allowing users to create a new event. The modal includes fields for Title, Location, Start, End, Repeat, and Description. The 'Title' field is filled with 'My Event', and the 'Location' dropdown is set to 'Burk Hall'. The 'Start' time is '11/29/22 2:30 AM' and the 'End' time is '11/29/22 3:00 AM'. The 'Repeat' dropdown is set to 'Never'. The 'All day' and 'Timezone' checkboxes are unchecked. The modal has 'SAVE', 'CANCEL', and 'ADD PREFS' buttons at the bottom.

# MyDay Features

## Preferences

- ❖ Users can additionally create preferences that MyDay will use to suggest other events based on the user's event location, selection of Before/After relativity, and tags.

The screenshot shows a 'Preferences' dialog box with a yellow header bar containing a close button (X). The dialog is divided into two sections: 'Tags' and 'Relative'. The 'Tags' section features a 'Select Tags' dropdown menu and a 'Current Tags:' label. The 'Relative' section features a 'Before' dropdown menu and a 'Current Relative:' label. At the bottom of the dialog are two buttons: 'Save Changes' (blue) and 'Close' (grey).

# MyDay Features

## Suggested Events

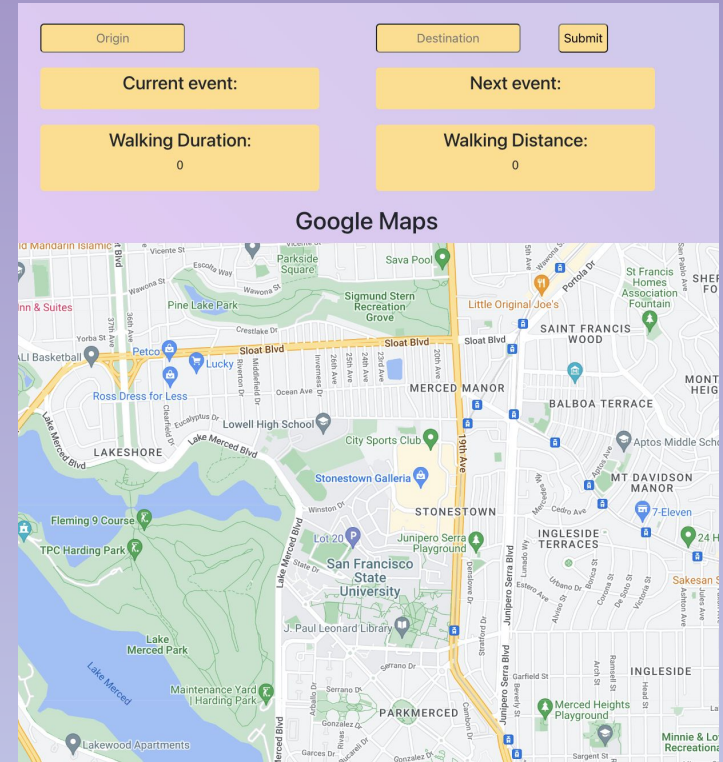

Once the user has inputted their schedule, MyDay will take into account the preferences that were inputted per each event and suggest locations or activities that fit the user's downtime and "empty spaces".

# MyDay Features

## Map

- ❖ Users will be able to utilize our Map page.
- ❖ Allows users to view locations to visit in between classes to rest, eat, study, or socialize.
- ❖ Users also will be given the walking distance and walking duration between their classes based on their schedules.

# Why MyDay?

- Incorporates the functionalities of a calendar and a map into one application
- Our team highly encourages a healthy balance in between events in a college student's life.
  - We understand how difficult it may be to remember to do the simplest and vital activities, such as eating or working out, due to the stress of being a college student.
- MyDay incorporates suggestions to give a light nudge to our users to be able to utilize what the campus has to offer.

**Try out MyDay Today!**
